## Staggering Statistics

**1 in 40** American children have a parent in prison.

In Missouri, there are more than **44,000** children with an incarcerated parent.

Children with incarcerated parents are **7 times more likely** than other children to enter the criminal justice system one day.

It is estimated that the cost to society of allowing just one youth to leave high school and enter a life of crime or drug abuse is **\$1.7 to \$2.3 mill.**

Today **68%** of the prison population has less than a high school degree or GED.

**20%** of children entering the welfare system have at least one incarcerated parent.

To answer this systemic problem Ava's Grace Scholarship Foundation is focused on education. These children do not have to become a statistic – education is the key to breaking the cycle.

**New in 2015!** We will offer two additional \$5,000 scholarships through a new opportunity – Summit's Peak, the Ava's Grace Scholarship for African American males. All other requirements and benefits apply!

## Our Mission

Ava's Grace Scholarship Foundation (AGSF) is an innovative, one of a kind non-profit entity whose mission is to one day break the cycle of incarceration through the gift of education.

## Our Scholarships

AGSF will award scholarships for higher education on an annual basis to children of incarcerated parents in the state of Missouri. Beginning in 2012, AGSF has awarded two to four \$3,000 to \$5,000 scholarships per year and is currently supporting eight scholars across the state of Missouri. In 2015, we will make it twelve scholars.

Currently, there are no combined scholarship and mentor programs or other incentives for higher education specifically for children impacted by incarceration – in Missouri or across the Midwest. AGSF scholarships can be used at four-year colleges and universities as well as two-year degree programs, trade, and technical schools. The scholarships are **renewable** every year the student stays in school and performs satisfactorily in their program as defined by their institution (up to four total years of support).

**Solicitations for the 2015-2016 school year begin on January 15th, 2015. Please visit [www.avasgrace.org](http://www.avasgrace.org) and click on the "Scholarship" section for details including the application. Applications MUST be postmarked by April 15th, 2015.**

## Our Scholars

Ava's Grace Scholarship Foundation and the resources it provides can be life changing for the scholarship recipients as well as their families and the communities in which they live. If children in similar situations can see a child from their neighborhood achieve an education, something that is possibly viewed as the impossible, they can see it for themselves.

The vision of AGSF is a 100% graduation rate of our scholars. While this may not always be attainable, it is our hope that with our partners we can provide the best chance at success for our scholars.

## Our Partners

Ava's Grace Scholarship Foundation has worked diligently to identify and solidify key partnerships. These partners help us identify applicants as well as provide assistance to our scholars in the form of mentoring, financial planning, and other wrap-around services we believe are critical to ensuring the success of our students.

### Our key partners and affiliations:

- ▶ The Scholarship Foundation of St. Louis
- ▶ Missouri School Counselors Association
- ▶ Connections to Success
- ▶ Second Chance Coalition of Kansas City
- ▶ Center for Women in Transition
- ▶ U.S. Probation and Parole
- ▶ Big Brothers Big Sisters of Eastern Missouri
- ▶ College Bound

### MENTORSHIP PROGRAM

AGSF will provide our students with a mentor to help guide them in their journey. AGSF mentors will be chosen in coordination with the scholars and are expected to stay with the student throughout their experience in higher education.

### AMBASSADOR PROGRAM

We expect our students to give back to AGSF by becoming an ambassador of higher education in their communities and careers when opportunities exist.

### AVA'S GRACE GIVES BACK

The founder of AGSF learned how rewarding and satisfying giving back can be by watching her parents and by participating in campus activities in college. Some children may never have these experiences growing up or may have been raised to assume you can only give back with monetary support.

It is our intention to instill in our scholars the idea of giving back and helping those less fortunate. We plan to do this by participating in an annual "Ava's Grace Gives Back" volunteer service project *with them*, not just requiring them to do it.

We also expect their mentors and our Board of Directors to participate alongside the scholars. It is our hope to find charities and causes we can foster long-term relationships with.
